

The Bike Shop at Devereux

Men and women with intellectual disabilities are employed at The Bike Shop, learning mechanical skills as well as social/life skills on their path to becoming as independent as possible.

Bikes are collected through donations of generous friends, neighbors and community supporters.

Our individuals then work to fix, clean and resell bikes to the general public, holding sales at the shop in Devon, at community events and on local college campuses.

Bikes are also donated to area charities like A Better Chance Radnor and Laurel House, as well as low-income school districts.

Donations can be made
Monday through Friday, 8:30am - 4:30pm
119 Old Lancaster Road, Devon, PA

For questions or to schedule a sale at your location,
call Bike Shop Manager Kevin at 610-964-3153
or email theshops@devereux.org
