

## TROOP 2 SERVICE HOURS REPORT

To whom it may concern:

Any Boy Scout in Troop 2 is able to earn service hours for work he does outside our troop for the betterment of the community.

- These hours may not be applied to any other service requirements he must meet for church, school, or other social groups.
- The Scout may not receive any monetary reimbursement for his time and efforts.
- He cannot directly – personally – benefit from the outcome of his labors, as an individual.
- His service should benefit a group of people or an organization.

If the Scout's participation in an Activity meets these requirements then please complete this form and return it to the Scout for submission to the troop.

Thank you for your assistance and cooperation. We hope that our Scout's time and effort were able to benefit you and your organization in a positive way.

Sincerely,

Barry Carney
